

Acceptance of cheques as payment

As from 1 February 2021, Ashburton College **will no longer accept cheques** as a form of payment.

This is due to some banks phasing out cheques, as the use of cheques continues to decline.

Alternative ways that payments can be made are as follows:

- Cash
- Payment by Debit card (Eftpos)
- Payment by Credit card
- Payment by Internet banking

If you are paying by Internet banking, please ensure the student's name is placed as a reference. If the payment involves returning a permission slip to the Office, please note on it 'paid by Internet banking'.

Kind regards

Ashburton College
