

## 2019 Year 10 Option Choice Selection Form

### General Information

In addition to Social Studies, Science, Physical Education, Health, Mathematics and English all Year 10 students will study three other subjects.

The New Zealand Curriculum Framework states that students should undertake a balanced programme. Students are encouraged to select a range of subjects. If we feel that this is not the case then a Dean may ask a student to look at their choices again.

An information booklet is issued at the same time as this form and provides a brief outline of each of the courses being offered.

Students are asked to **choose five different subjects** as it may not be possible for all students to have their first **three** choices due to restrictions on class numbers, staff availability and classroom space.

Deans will endeavour to give as many students as possible their first three choices.

### Selection Instructions.

1. Choose five subjects from the list below. Write the numbers 1 to 5 (with 1 being your first priority and 5 your lowest priority) beside these selections on the table below.
2. Choose a subject once only.
3. Seek advice from your Family Form Teacher or Dean if you have questions.
4. Return this form, signed by your caregiver, to your Family Form Teacher by **Friday, 24 August 2018**.

**N.B. If your return is late you may not receive your preferred choices!**

<b>Student Name:</b>			<b>Family Form:</b>		
Write the numbers <b>1</b> to <b>5</b> beside your choices in the table below
