Student Code of Conduct (Schedule One)

Ashburton College School Rules and Conditions of Enrolment for International Students

Ashburton College has rules which International students need to follow. Rules with particular relevance to International students are listed below so there is less chance of any misunderstanding of what students are expected to do and not to do. Some of the rules are based on New Zealand law, others are 'rules' of Ashburton College. All rules are for the welfare, care and protection of the students. Failure to comply with the following rules and requirements may lead to disciplinary action.

Accommodation

This agreement is subject to the Student being placed in accommodation that is approved by Ashburton College. The College will make every reasonable attempt to provide approved accommodation for the Student and the Student agrees to comply with all expectations and conditions for living in School approved accommodation.

- International students are required to reside in a homestay residence approved by the school, irrespective of age.
- Permission for alternative arrangements can only be given on receipt of a Designated Caregiver document signed by the student's parents, stating that the parents take full responsibility for the placement of the student with another family member or close family friend.
- If you are a parent living with your child, you **MUST** inform the school if you leave the country at any time so we can agree to alternative arrangement for your child while you are away.
- Students are required to inform the school of any change in circumstances of their parents, such as a change of address and phone numbers.

Attendance

Students are to attend all classes on time including AKO and assemblies. A doctor's certificate is required for any absence longer than three days or if the student misses an NCEA examination. Absence for any other reason must be approved by the International Director.

Curfews

During the week (Sunday–Thursday) all students are expected to be home by 6:00pm, unless they are participating in a sports club, music group etc. In the weekends (Friday – Sunday) students must follow the homestay curfew rules, which will be discussed on their arrival in the home. Students must have a mobile phone and have contact with their homestay family when they are out.

Driving

Ashburton College does not allow international students to drive or own a car, motorbike or scooter while they are enrolled at the school. Students are allowed to have professional driving lessons with a registered instructor. Parents may apply in writing to the International Director for exceptions to this rule.

Drugs

Ashburton College has a zero-tolerance policy for illegal drugs. Students found to be using or in possession of illegal drugs will be disciplined in accordance with the Disciplinary Policy – Schedule Two.

General Conduct

Students are expected to behave in a manner which is respectful to themselves, others and their property, and their environment. These expectations apply to school trips, school functions, during school hours and travelling to and from College.

Homestay

Any rules of the homestay family are to be respected and obeyed. The student is expected to be polite, courteous and respectful in their homestays. Students are expected to keep their room tidy and help with general chores in their homestay (e.g. clearing the table after dinner). The student is expected to be home for all evening meals and will not stay away from the home unless they have permission from their host parents.

Insurance and Liability

- Ashburton College shall not be liable for any loss or damage to property.
- Ashburton College reserves the right to place a student in the most appropriate level/course of study and to change the course of study of any student if it is deemed to be in the best interest of the student.

Initialed by: _____ (parent) _____ (student)

- Ashburton College reserves the right to decline any student enrolment to the School, without explanation, at the discretion of the Principal.
- The Principal of the school has the authority to provide consents that may be necessary on the student's behalf in the event of a medical emergency where the school is not able to make contact with the parents.

Internet and Email

Students must comply with the school and their homestay rules on internet and email use. They must use the Network in a responsible way and observe all restrictions. Students will be held accountable for their own actions when using the internet at school and in their homestay.

Leave and Holidays

Students must attend school during term time and arrive before the first day of school in Term One. If a student is returning to their home country during the year, they are expected to do so within the allocated school holiday times. We do not recommend a return to the home country in the short school holidays. If a student returns home during term time the absence is "unjustified" therefore will impact on their attendance statistics. Students wishing to return home for university exams or in special circumstances need to request leave from the International Director.

Photographic and Marketing Material

As a parent I grant permission for the school to take photographs of my child during school activities and that the school may use those photographs on the Ashburton College website, international newsletters and school newsletters as well as in marketing material for the school. If you do not wish to grant permission, please let the school know.

Smoking and Alcohol

It is illegal in New Zealand to purchase or drink alcohol, smoke cigarettes under the age of 18 years. Students found using or in the possession of alcohol/cigarettes at school will be disciplined in accordance with the Disciplinary Policy – Schedule Two.

Subject Choices and English Level

In some cases, it is not possible to gain entry to your first choice of subjects as classes may be full - particularly if you arrive mid-year. However, staff at Ashburton College will do their best to ensure you have a course which is suitable to you and your level of achievement. English language testing will be done on arrival and students will be placed in the appropriate English class for their ability. If a student's English level is not high enough to be placed in mainstream classes, they will be placed in the ESOL class until their English is at the required level. There is no extra cost for this class. All subject placements are at the discretion of the school.

Travel within New Zealand

International Students are encouraged to travel within New Zealand during holiday time:

- With their host family
- With school organised groups
- With trips organised by a school-approved travel company
- With their parents, guardians or agents.

Students are NOT permitted to travel alone, with other students or without school approval. Independent travel is not permitted.

Uniform and Dress Code

International Students are expected to wear the school uniform correctly as outlined on the College website. Students will be assisted in hiring or buying a uniform on their arrival.

Work

Students in Year 12/13 are able to apply for a Variation of Conditions to their Student Visa to enable them to work for up to 20 hours per week. Permission may be granted by the International Director and written permission must be received from the student's parents. Permission to work will ONLY be given if the student's academic progress is satisfactory.

Ashburton College has agreed to observe and be bound by the Code of Practice for the Pastoral Care of International Students published by the Ministry of Education. Copies of the Code are available on request from this institution or from the New Zealand Qualifications Authority website at www.nzqa.govt.nz.

Disciplinary Policy (Schedule Three)

1. The following is the School's current disciplinary policy for dealing with breaches of the Agreement. This is not intended to restrict the School's general power of discipline and this policy may be changed from time to time at the discretion of the School.

Overview

2. Except in serious situations where immediate termination of the Agreement is necessary, or where the breach does not warrant any formal response other than a warning, the School will endeavour, where appropriate, to follow a two-stage disciplinary process.
3. In Stage One, the School will investigate and determine the facts, and will reach a conclusion on what happened and whether it amounts to a breach of the Agreement.
4. In Stage Two, if the School has determined that a breach has occurred, the School will consider the appropriate response to that breach, up to and including termination of the Agreement.
5. The Student will have an opportunity to provide a response to the alleged breach that the School is investigating (**the Allegation**) and any proposed disciplinary action that the School is considering taking (**the Proposed Action**).
6. This policy does not limit the School's power to take appropriate disciplinary action urgently and without following this process if this is necessary having regard to the seriousness of the breach.
7. This policy also does not limit the School's power to suspend the student for the duration of the disciplinary process where suspension is considered necessary for the safety or education of any person.

General Policy

8. When the School is conducting a disciplinary process involving the Student it will endeavour to provide the Student with the following:
 - (a) a written summary of the Allegation or the Proposed Action;
 - (b) an opportunity to respond to the Allegation or the Proposed Action, either in person or in writing or both, at the choice of the Student;
 - (c) an opportunity to consider the Allegation or the Proposed Action for a reasonable period of time (having regard to the seriousness of the Allegation or the Proposed Action) before giving a response;
 - (d) an opportunity to contact his or her Parent before giving a response, unless the delay caused by contacting that person is unreasonable having regard to the seriousness of the Allegation or Proposed Action;
 - (d) an opportunity to have an independent support person of his or her choice present at any meeting relating to the disciplinary process;
 - (e) an opportunity to meet with that support person in private at any stage during the disciplinary process;
 - (f) an opportunity to have a translator present (or otherwise facilitate the student participating in the process in his or her own language) during any meeting or process if the School or the Student considers that a language barrier means that a translator is required; and
 - (g) a copy of this policy setting out the rights which the Student has when engaging in the disciplinary process.

Disciplinary Procedure

Stage One: Incident Investigation

9. When the School learns of any incident or any other thing that may be a breach of the Agreement or might otherwise warrant a disciplinary response, the School will notify the Student of the Allegation and will provide the Student with an opportunity to give a response.
10. Where appropriate, having regard to the seriousness of the Allegation, the Student will have the opportunity to respond either in person or in writing or both, at the choice of the Student. The School will receive this response and give it genuine consideration before making a decision about the Allegation.

11. When the School makes a decision about the Allegation it will advise the Student and parent, in writing if possible, about its conclusion as to what happened and whether it amounts to a breach of the Agreement.

Stage Two: Outcome Discussion

12. If the School determines that a breach of the Agreement has occurred, it will advise the Student and parent of the possible disciplinary actions that it will consider taking in response to the breach and will provide the Student and parents with an opportunity to give a response.
13. Where appropriate, having regard to the seriousness of the breach, the Student and parent will have the opportunity to respond either in person or in writing or both, at the choice of the Student. The School will receive this response and give it genuine consideration before making a decision about the disciplinary action to be taken.
14. When the School makes a decision about the disciplinary action that it will take in response to the breach it will advise the Student and parents of its decision, in writing if possible. The disciplinary action will not take effect, and no actions will be taken to put it into place, until the Student and parents have been advised of the decision.
